

Love of Truth Ministries

April Newsletter, 2011

To all our family and friends: Greetings in the Lord!

This past month has been a huge blessing. Recently, *Love of Truth Ministries* (LOTM) had the opportunity to partner with Justice For All (JFA). JFA is a national pro-life ministry that visits university campuses and engages people in dialogue on the topic of abortion (visit jfaweb.org).

▪ **Justice For All Training and Outreaches**

Mentor Training

Love of Truth Ministries was blessed to take part in a Justice for All mentor training. In this unique training, JFA trained our leaders to more effectively lead and mentor others to dialogue about abortion in any outreach setting.

Bracken Christian School and UTSA Outreach

As a part of their Biblical Ethics Class, the seniors recently completed a pro-life training and outreach in conjunction with JFA and LOTM. With JFA, our Bracken seniors spent two days on a field

trip to the University of Texas at San Antonio in order to dialogue with university students on the issue of the sanctity of life. The response from all the students involved was overwhelming positive. Praise God for this

opportunity for our seniors to truly put their faith into action and "Impact their Culture for Christ."

Here are a few responses from a few students from Bracken Christian School:

"This experience also made me more confident about speaking about abortion".

(Speaking of someone a Bracken student spoke to): *"She said because of those pictures, that she was now totally against abortion and fully pro life."*

"After seeing the whole exhibit I feel more strongly against abortion than I ever have."

The outreaches at UTSA were an incredible success. On March 29th and 30th, many pro-life participants that were trained by Justice For All had the opportunity to put their knowledge into practice. Besides LOTM, and Bracken Christian School, members of Living Water Fellowship in Bulverde Texas, The San Antonio Coalition For Life, 40 Days For Life, and others were able to attend. The UTSA Students for Right To Life sponsored this event.

What's Next?

Pro-Life Ministry

Love of Truth Ministries plans to continue in their partnership with JFA as they conduct local pro-life training and outreaches. Currently, LOTM takes trainees to downtown San Antonio by the Alamo- a perfect cross-section of the populace, including locals and visiting tourists. At these events, a portable kiosk is set up and poll-tables and surveys are employed to enter into dialogue with passersby. The next training and outreach will be sometime in May of June of 2011.

May God bless you all!
